

To all <Early Registration> participants

We were reported that there were cases that the Name of Congress stated in the credit card statement was different.

This is due to the system and timing of process of each Credit Card Company. Hence the payee's name in some Credit Card Statement is in different Congress's name.

Pleased be inform that this problem will be solved shortly.

All payment transactions made through the Online Registration are dully received by ACOMPT congress 2019 Tokyo.

Office receipt will be prepared for all <Early Registration> participants.

For participant who need receipt, please get it from the Reception Desk on the congress day.

We sincerely apologize for the inconveniences caused.
